Quick Quotes

Q. How would you describe today's round?

JESSE FLORKOWSKI: Definitely up and down. Did not drive it very good. Putter not very good, either. Got it back on the back nine with a couple birdies back-to-back and then doubled 18 with just a couple stupid mistakes. All in all, it was an exciting week and looking forward to next week already.

Q. How would you describe this week as a whole, as a player?

JESSE FLORKOWSKI: Yeah, it was awesome. Just having the USGA's name on the tournament, it's remarkable, and I'm excited for what they've done, and I'm looking forward to the changes that they're going to do, and hopefully we'll make this bigger next year.

Q. What are you going to take away from this week as a player, as a person, moving forward?

JESSE FLORKOWSKI: You can definitely see there's definitely a lot of very good adaptive golfers, which is a good thing, and hopefully we get more and more coming through, and like I say, make this event the biggest event in the United States.

Q. What do you think this event will do for the future of adaptive golf and the adaptive community?

JESSE FLORKOWSKI: Huge. I think it will go beyond golf, just like with the media attention, the sponsors that some of these golfers can get. It'll be remarkable, and I'm really looking forward to a future in adaptive golf.
