Quick Quotes

Q. Natasha, what was your favorite hole of today?

NATASHA STASIUK: The 16th and the 17th. I birdied both of them on my last round for the third round.

Felt really good to make birdies because I was struggling on of the back nine. I rolled my ankle on the 10th hole and thought I couldn't get through it.

Q. And then what were some of the highlights of the week for you?

NATASHA STASIUK: The highlight of week would be making the cut. Being the only Canadian in the cut was kind of good. But also I wish the other Canadian would've made it.

It's the rules. You got to follow them.

Q. You're in position to win the intellectual impairment category. What would that mean to you to win again this year?

NATASHA STASIUK: It would mean a lot to me because it took a lot of courage just to battle out the second round because I had a really horrible first round.

Then I came and shot 79 the second day and today a struggled on the 10th hole. I rolled my ankle and I was like, I couldn't do it and I was like just hang in there.
