Quick Quotes

Q. Talk me through what were some of your takeaways from the week, Cathy?

CATHY WALCH: It was a great course. A lot of great help and everyone was so wonderful and friendly. I thought the course was in good shape and a little bit friendlier to us than Pinehurst I think. Just a little bit easier.

So it was an exciting week.

Q. Now, you won your impairment category. What does that mean to you?

CATHY WALCH: Regaining my title from the first year, the inaugural year, so thrilled to be here. I really wasn't planning to be here because I didn't make the original first cut, so I'm thrilled to be here and I am thrilled that I won the division.
