Quick Quotes

NATASHA STASIUK: The experience was great to win my category again and be in the Top 5. That was my goal going into it, is just not to qualify, even though it was a pretty close match beside Grace Anne and myself.

The past three years it's been very close, so...

Q. How about just the championship overall? How is it for you and your competitors?

NATASHA STASIUK: For me, it feels like a big family. It's somewhere that I feel included and not left out. In other tournaments I did feel left out, but being here has made me feel like I'm part of something as well.

Q. That's really great. And then last one: On TV for the first time live broadcast on Golf Channel today. How does that feel?

NATASHA STASIUK: Well, if I had to be honest, a bit scary. I didn't know they were going to pull me aside.

But by being the only Canadian here and trying my hardest, I had a little bit of a feeling I would be there.

But I just went out and tried to shoot par. Was nice to get a message after. My mom texted me from home. I saw you fighting it, even though you did screw up on the last two holes.

But overall, it's good to be here.
