Robert MacIntyre

Q. Bob, great round today. How do you reflect on that performance?

ROBERT MACINTYRE: Pretty much the same as the last couple days. I've really drove it well. Iron play has been decent. I just found some putts that weren't going in early on, and thankfully it happened today.

Q. Six birdies in that round; how would you assess that performance, as well?

ROBERT MACINTYRE: Yeah, it was great. I mean, again, I felt like I've played great over the last three days. Even the first two days I felt like it was a strong performance, just couldn't putt. We did a bit of work last night, just a lot of performance driven it. It seemed to help with my confidence, and we just kept it rolling early on today.

Q. Two birdies to finish off. That's obviously nice going into the final round tomorrow.

ROBERT MACINTYRE: Yeah, exactly. Hopefully I can just keep doing what I'm doing, keep hitting it the way I'm hitting it and keep seeing the putts going in, and hopefully we can get a high finish.
