Sergio Garcia

Q. Sergio, how would you reflect on your performance today?

SERGIO GARCIA: Yeah, obviously happy with shooting 66 today. Without a doubt it's a nice finish. But golf is funny. I feel like I probably didn't play as well as yesterday and I shot seven shots worse. Sometimes that happens.

I was very happy and proud of myself the way I fought, and didn't give up. It's a really nice round to finish with.

Q. And then looking at The Championship overall, how happy are you with the way you played this week?

SERGIO GARCIA: Well, obviously yesterday was key. I would've loved to score better yesterday. Not really play, but score better than I did. So if I would've been able to do that, then I probably would've had a chance today.

Unfortunately I wasn't able to do that. You know, you got to take what you get.

So it's a solid week. It's obviously -- I would've loved it to be better. I think we did a lot of good things and some not-so-good ones. At the end of the day of day still positive. We keep adding confidence and keep adding points to that Ryder Cup list, and hopefully getting closer.
