Tony Finau

Q. Tony, thank you so much for joining us. A lovely 67 to finish the 149th Open. Can you reflect on the round for us, please.

TONY FINAU: Yeah, I played really nicely today. Got off to the start I needed, I felt like, to make a push up the leaderboard and was able to do that. I had some chances going down the stretch, and putts didn't go my way, but I was happy with the week overall.

Q. Just reflecting on the week, I know that you do really enjoy playing in the Open. What was the experience like for you at the 149th?

TONY FINAU: It was great. Coming down that 72nd hole was pretty special with all the people and the way the Open sets the stands up. So it's always quite a warm welcome coming down the 72nd hole, so I always enjoy that. I think I missed that these last couple years. It's nice to have all that back. I've enjoyed having the fans out again and enjoyed my experience once again here at the Open.
