Mixed Zone

**Sergio Garcia**

**Q. Sergio, what did you think about the draw this afternoon? It seems tougher to play this afternoon than this morning because of the wind. Maybe more tricky?**

SERGIO GARCIA: It was probably a little bit gustier, but that's not an excuse. Maybe not to shoot 8-under par but definitely I should have shot much better than I did.

**Q. What was wrong?**

SERGIO GARCIA: Too many things.

**Q. Just one question about your chip on the green of No. 12?**

SERGIO GARCIA: No, only when it requires it. Obviously I couldn't putt it because I have fringe going around me and too much slope. So it was the only shot that I could really hit to try to hit it close.

**Q. It's specific to St Andrews?**

SERGIO GARCIA: No. We've done it before in many other courses, but obviously here it can happen more often.
