**Si Woo Kim**

**Q. Two rounds of 69. Were conditions better today? How are you feeling about the way you're playing?**

SI WOO KIM: Yes, when I was like start teeing off, like, felt like it's going to be a tough day. But weather is way better than yesterday, like just first five holes. And then after that the course is soft.

And green speeds are slower, but I think played much easier than yesterday.

**Q. So you've not had much success at the Open Championship, two missed cuts and a tied 67. What's different? Are you learning something?**

SI WOO KIM: It's like way different when I play usual. So it was little -- I've never played much like this much firmer and like this much windy and with bunkers.

So I was learning like first two, three appearances and this year, but I like this course as well.

**Q. So you're definitely going to make the cut. You're up there in the top 10 right now. What are you going to work on tonight before tomorrow?**

SI WOO KIM: Nothing try crazy. Just trying to play similar like first two days. And then I hope playing like first two days for the next two days.

**Q. You've been in Scotland now for a while. What do you like? Is there any food you like in Scotland? Have you done anything around Scotland?**

SI WOO KIM: Yeah, when I flew in, before Scotland, I was worried about the weather, and last three Opens was brutal.

But the weather was good, only this morning was bad. But everything I enjoyed, like weather is good, food is good, especially the hotel is good, everything.
