Robert Dinwiddie

Q. Talk about the round today.

ROBERT DINWIDDIE: Very disappointing. Yeah, I didn't do anything particularly well. It was all a bit average. Struggled on the greens a little bit again.

Yeah, try and save the best for last.

Q. Was the frustration we saw some birdies that were reasonably quickly followed by drop shots?

ROBERT DINWIDDIE: Yeah, just got myself in some bad positions, caught a couple of pot bunkers and then just playing out sideways.

Yeah, it wasn't the best day today. We'll go get some food and do some more work.

Q. Back to the range, back to the putting green?

ROBERT DINWIDDIE: Exactly that. Do a little bit of a rethink and hopefully pull something out for tomorrow.

Q. It would be nice to have a nice finish for the final round here?

ROBERT DINWIDDIE: Definitely. Hopefully saving the best for last and have mid-60s. That would be great. Have to wait and see.
