**Laurie Canter**

**Q. Laurie, how would you reflect on today?**

LAURIE CANTER: Pretty disappointed in the back nine. Really felt like I played well on the front nine and then a couple of unlucky breaks, still reached 10-under par and then struggled coming home there. 2-over for the day is no good.

**Q. Was it more challenging on the back nine today?**

LAURIE CANTER: The wind's not helping as much, so it's more across you, which is a great wind, especially with a couple of the pins they have on 14, 17. You've got to really think about your approaches. So, yeah, it's playing good on the back nine with that wind.

**Q. Hopefully a good score tomorrow for the final round.**

LAURIE CANTER: Definitely, yeah, yeah. I think it's still you can go post something in the 60s and walk away with a half decent week hopefully.
