Barclay Brown

Q. Barclay, that was a really tough day, particularly the back nine, how did you sum it up?

BARCLAY BROWN: I didn't quite have it. And the course was playing difficult and things just weren't quite going. So I was fighting it a little bit, like you said, especially on the back nine, then just kind of got going in the wrong direction.

Q. Three behind the Italian amateur. Do you have a belief that you can pull it out tomorrow?

BARCLAY BROWN: Absolutely. I need a good one tomorrow, obviously. But yeah, of course, I believe I can do it.
