Francesco Molinari

Q. Francesco, could have been better, but a good week?

FRANCESCO MOLINARI: Yes, it's been a good weekend, especially, yeah, from where I was on Friday afternoon. Obviously it's hard to do much better. So it's nice. It was a great atmosphere yesterday and today. It was nice to be out there and two decent rounds.

Q. How do you feel this fits on the whole process that you've been working on, fixing, improving slowly but constantly of all the work you put into things?

FRANCESCO MOLINARI: I think there's signs of improvement. Obviously next year it's a big year. So I've got a bit of a break until the start of the new season in America and some autumn events in Europe.

I need to make some more progress this week at home and hopefully next year it's going to be different from the last few.

Q. Your plans for now, where is the next tournament until the offseason?

FRANCESCO MOLINARI: I'm going to probably play Wentworth, looks like, and then I'll be pretty busy from Wentworth up until the end of the year. So I'm going to take this time at home to try and work out and improve the last few things that need improving. And hopefully play some good golf.
