Guido Migliozzi

Q. Tell us about the round.

GUIDO MIGLIOZZI: It's been a great round. I played -- I was playing solid. I played solid. Felt great on the course. It's not easy to make birdies and I managed to play safe and trying to play middle of the green.

Unfortunately I took two bunkers with the driver on the two par-5s and then I made -- one of them I made bogey.

But overall it's been a great round and great first two days of golf. And looking forward for the weekend.

Q. So staying under par after two days on this golf course is an accomplishment and keeps you in contention. What's your outlook four the week?

GUIDO MIGLIOZZI: It's great first two days under the par. You know, my focus is just keep going like this, playing shot by shot, and that's it.
