Min Woo Lee

MIN WOO LEE: Yeah, it was a slow start. Didn't have it all day, then two birdies out of last four was nice.

So good momentum going into tomorrow.

Q. I saw you give the crowd a bit of a pump up after your tee shot on 15. Did that give a bit of a boost?

MIN WOO LEE: Yeah, the crowd was amazing all day. It was good. They were getting boozy and louder at that point in time. No, it was great.

I love the crowd, and, yeah, they've been good.

Q. Not feeling it today then early on; didn't see much of you on the TV.

MIN WOO LEE: Yeah, no, slow start. Just bad. But put it in a couple bunkers and made some soft bogeys.

Yeah, wasn't pretty. Yeah, just really slow. Didn't get anything going until the two birdies.

Q. Big sister was following you around?

MIN WOO LEE: Yeah, yeah, she was around. I saw her a couple times. Yeah, it was good to have her out.

Q. Didn't provide you with any great luck unfortunately.

MIN WOO LEE: No, no. I mean, yeah. Next question.

Q. So what do you think now at this point with this? Still out of question or...

MIN WOO LEE: Obviously Brian is playing amazing. I don't know if he can get rid of -- he's obviously playing really well, so I don't think -- someone has got to go out and post a score to catch him, but yeah, I feel like I'm out of the question, so I've got to shoot a really, really low score tomorrow, and it's doable. You get off to a hot start and you can do it. Yeah, just didn't have it today.
