Tommy Fleetwood

Q. How would you reflect on the round today?

TOMMY FLEETWOOD: Well, yeah, it's a missed cut, isn't it, and it's a weekend where I don't get to play golf and have a chance. I was disappointed. Started off all right, but yeah, just didn't have it this week in conditions. I'll reflect and start again.

Q. You mentioned the conditions. A lot of players talked about how brutal they were with the wind. Are they some of the toughest conditions you've played in an Open?

TOMMY FLEETWOOD: It was tough. Yeah, look, conditions are tough, the golf course is tough. But it's your job to figure it out and to put in a score, and I just couldn't do that.

Q. What's coming up for you next?

TOMMY FLEETWOOD: Olympics, so I'll prepare for that. Hopefully I can get my game in better shape and go in and win a medal.
