**Guido Migliozi**

**Q. Assess your round today.**

GUIDO MIGLIOZZI: Today it's a better score compared to the previous two days, but a bit upset because it was a great morning out there. It was a much easier golf course, and it was one of those days that we could go low.

It's okay. It's still a tough course. It's not easy to make birdies, and it's very easy to make bogeys. So we'll take it.

**Q. Just looking back on the week, how much of a learning curve has it been for you to play in these conditions? It looked pretty tough out there.**

GUIDO MIGLIOZZI: It was. The first two days were really tough. The wind was blowing a lot and completely in different ways compared to the practise rounds. So it was like a brand new course for everybody.

Even yesterday I made a triple bogey on No. 8, so it was not easy to stay calm and to stay patient because mistakes are really around the corner.

**Q. Just looking ahead, after The Open you've got the Olympics, representing Italy. How much are you looking forward to going to Paris and playing in that?**

GUIDO MIGLIOZZI: Yeah, of course, it's a great event. I can't wait to be there and represent Italy. It will be, of course, an incredible experience as well.

Family is coming also. It will be a special week.

**Q. And how much good memories does it bring back returning to the Golf National to play in that event?**

GUIDO MIGLIOZZI: Yeah, great memories. I have great memories on that golf course. It's a tough golf course. There's a lot of water in play. The final holes as well.

Great memories, so it's always great for me going there. I'll try to hit a low one.
