MK Kim

Q. Tell us about how you enjoyed your Open on the whole with the weather factor, and it's a major championship?

MK KIM: It was my second playing The Open Championship, and I really enjoyed the spectators. They really love to watch the golf. I can feel it, everyone. Obviously this is a major tournament, so I was glad to play. I hopefully made the cut and played four rounds.

Yeah, feels like a little bit I could be better, but yeah, I love it.

Q. You've lived in England and you have played links golf, but is this an important experience for you so you can play The Open Championship maybe better next time?

MK KIM: Yeah, maybe. I'll try my best next time, yeah.
