Haotong Li

Q. What were some highlights for you today?

HAOTONG LI: I think 18. I tried to avoid a bogey and did it, which is great.

Q. Talk about the feeling am being back in the majors and being in contention. It's something that you've been waiting for?

HAOTONG LI: Yeah, for sure. I've been playing quite solid the whole year so far until the last couple weeks, so hopefully keep the momentum and have some good results come in.

Q. How do you embrace this kind of weather?

HAOTONG LI: It's very tough, brutal.

Q. Probably this is what you're going to have for the rest of the week.

HAOTONG LI: I don't know. Hopefully we keep dry sometimes.
