Mixed Zone

**Filip Jakubcik**

**Q. Tell us about your first experience in the Open.**

FILIP JAKUBCIK: I mean, it was great. I made a couple of mistakes on the back nine, but other than that, everything was literally perfect today.

**Q. What was the best part, do you think, of your game today?**

FILIP JAKUBCIK: I would say my iron game. My ball-striking was solid today.

**Q. We saw your reaction yesterday during the practice, that hole-in-one. Can you talk a little bit about that?**

FILIP JAKUBCIK: I mean, it one-hopped in. I would say it was pretty lucky that it one-hopped in because it would obviously be pretty long. I used the information from that day today because I hit one club less for that reason because I think it would be long.

But other than that, it was unreal making a hole-in-one on the practice round for The Open.

**Q. Do you realise you're the first Czech to play The Open ever?**

FILIP JAKUBCIK: Yes.

**Q. What does it mean for you?**

FILIP JAKUBCIK: I mean, it's surreal. There was actually one more Czech trying to qualify. He was one shot off, which was just such a shame. It would be so cool if there was two of us.

Other than that, it's super cool. I hope it's going to inspire everyone in Czech to play golf, try even harder to so we can get more players here.
