Kristoffer Reitan

Q. Tell us about the round today. Good fight, no?

KRISTOFFER REITAN: Yeah, it was a very good round. Played very well the first 15 holes. Then yeah, annoyed about the finish, but it was a good round overall and very happy with that. Made my first cut in a major, and it's a new day tomorrow, which I'm happy for, and happy to play some good golf today.

Q. As you say, first cut in a major brings you to new goals now. What are your goals for the weekend?

KRISTOFFER REITAN: Just try and play good golf. That's it.

Q. What was the key today, more up-and-downs?

KRISTOFFER REITAN: No, I was just hitting the ball very good, which keeps you out of trouble. Just trying to hit the right shots into the greens. Hitting a lot of fairways helps a lot. Holed some nice putts. I felt like my short game could have been better today, but overall pleased with the round.
