Jhonattan Vegas

Q. Tell us about the round.

JHONATTAN VEGAS: It was another good round, to be honest. I felt like I was playing good golf. Had a horrible hole on No. 9, which kind of derailed the round, and I couldn't really make enough to recover from that. But shooting under par is always positive.

But when you're looking to shoot a low round to get somewhere close to contention, it wasn't it. Got to keep working, got to keep trying to figure it out, how to put it all together.

Q. What things do you have to work on, things you can improve on tomorrow?

JHONATTAN VEGAS: Well, like I said, at the end of the day, you've just got to do everything better. Got to keep driving it better, got to keep hitting it a little bit closer and make a few putts. These type of courses don't give you much, so you've just got to go get it.
