Rasmus Hojgaard

Q. Another good round today. What was the best part?

RASMUS HOJGAARD: The best part today? Probably off the tee, I'd say. I felt like I put myself in position most of the day. So yeah, I'd say that was my best part of the game.

Q. Do you feel like you're close to the mix, or is there a long way to go?

RASMUS HOJGAARD: There's a long way to go to catch Scottie. But I'm still in the run for a good finish.

Q. This is a theme that is recurring now. What will it take to catch Scottie now, or keep up with him?

RASMUS HOJGAARD: What am I, eight shots behind? I don't know. I'm going to go out and try and shoot the lowest round possible I can do tomorrow and then see where I end up.
