## Annabell Fuller

### **Q. Sum up your day today.**

ANNABELL FULLER: I think it went pretty well. Hannah played really, really well, so that was nice. I think our style of golf, she's a bit more aggressive, I'm a bit more like a steady golfer. But she showed off today, I have to say, stuck it close a lot of times, which obviously takes pressure off me and I can just kind of put it on the green and nicely take the par. But otherwise I think we played really well and kind of bounced off each other. But it was nice to kind of get the win at the last because I felt like we had the upper hand the whole way.

### **Q. You mentioned the win over the last, hitting the driver off the deck, talk us through that one.**

ANNABELL FULLER: It was like 260 and Hannah was like supposed to be the one going for it, but she had a bit of a dodgy lie, so we said, Okay, Hannah, you go lay up and I guess I can try to go for it. But I kind of said, like a 3-wood's got no chance of getting there, so I got to take the next club up which a driver and just kind of went for it.

### **Q. To win it over the last puts another point on the board, how much confidence does that give you going into tomorrow?**

ANNABELL FULLER: I think it's really important to kind of start strong and kind of, I think, it looks like we'll be two points up, maybe three, hopefully, or like two and a half again, which I think is really important going into tomorrow knowing that we dominated in both foursomes and four-ball.

### **Q. You got to play with your good friend Hannah as well. How was that playing with her?**

ANNABELL FULLER: I played with her in Junior Solheim and I think we were kind of waiting for another chance to play together again. I see her every tournament, but we always end up playing England versus Scotland, so it was really nice to be able to play on the same side.
