Caley McGinty

Q. You were part of two winning groupings today in the Curtis Cup. Your second four-ball was won and you secured that 2 and 1 with Lauren. How do you feel that went this afternoon?

CALEY MCGINTY: It was really good. We picked up momentum around hole 5 and kind of kept on going through 12. Lost our way a bit on the last couple holes, but we did a good job of shifting our mindset when we lost a couple of holes, when we were only 1-up instead of 3-up, we switched it so, like, okay, we're still up, we just kept the positive energy going and I think that was the biggest thing that carried us through.

Q. How do you feel about your game? Obviously you're playing in both the foursomes and the four-ball as well. Did you have to do anything different out there?

CALEY MCGINTY: I wasn't really had a set game plan for changing anything, but I definitely, if Lauren put one in there relatively close it meant I could be a little bit more aggressive with my second shot. And I think I would be more aggressive in the four-balls than the foursomes. It's a lot easier when you got another player having to get a score in, getting a par in for you, so it was good.

Q. Do you think you compliment each other out there?

CALEY MCGINTY: We're very similar personalities. We got to know each other pretty well and our games are pretty similar as well. We're both pretty solid, so I would say we compliment each other pretty well.

Q. Definitely been a good day all around for you individually as well and the team. How much does that momentum is that going to give you going into tomorrow?

CALEY MCGINTY: It's huge. We know the USA is really strong, so to get a really strong start we couldn't have asked for anything better, really.
