Caley McGinty

Q. Caley, commiserations, of course, but you certainly played your part in the final day. How did you feel it went out there?

CALEY MCGINTY: I was very comfortable today. Elaine told me in the morning to not try and force things, and I thought having that information freed me up to go out and get off to a good start. It's a shame that it was over. All I could do was just do the best I can do.

Q. Were you aware of what was happening during your game?

CALEY MCGINTY: No, I tried not to look at any boards. I knew that, if I was going to go down to 17 and 18, I'd probably would have wanted to know. But I felt in control, and I just found out at the end and went out and supported.

Q. You played fantastic golf today. What do you think you did so well to remain in control throughout?

CALEY MCGINTY: My swing felt good, so I was able to be more aggressive. I've been joking all week that I haven't been able to make many putts, but they all seemed to fall in today, which was good.

Q. You played fantastic all week. You earned some points with the four ball and foursomes. What did you think you've done so well when you look back reflecting on the week?

CALEY MCGINTY: It's been, not even just the goal, but the team spirit and everything, it's been one of the best weeks of my life, just the team morale. I think having that energy off of the golf course transfers on and allows you to play -- it brings the best out of you.
