## Meghan Stasi

**Q. Here with Meghan Stasi. What is your evaluation after the third day with both teams couldn't be separated heading into Day 2?**

MEGHAN STASI: Yeah, I think both teams played extremely well. It was a really good start for us in the morning. We had a couple all-square matches that we came back and fought for. Great to see Melanie and Rachel start off well at 6 & 4. That's huge.

**Q. What can you take from today as you go into tomorrow?**

MEGHAN STASI: Yeah, I think they're going to learn a lot from today. It's a long day out there for most of them. I think they're going to learn a lot about each other's games a little bit more and just take that into tomorrow.

**Q. Any clues or anything --**

MEGHAN STASI: Not yet. We'll know, I'm sure, very soon, so very shortly. Just excited again. Girls are excited to work on a few things and get back out there.

**Q. Talking to a few of them today, they're all commenting on how tough and good the golf course is. What was it like for you?**

MEGHAN STASI: Yeah. I visualised a lot of shots, and they came out a lot better because those girls are really good. Incredible for the putts that they made, the up-and-downs they made, especially on 16, 17, 18 for some of the matches to come in strong, and we know that. We know those last four holes are strong. It'll be another great day tomorrow and Sunday, as well.

**Q. What's the message in the team room tonight?**

MEGHAN STASI: Get some rest. We'll chat a little bit, but get some rest and be back out early.
