## Yealimi Noh

THE MODERATOR: Round of 69 today, how satisfied are you with that performance.

YEALIMI NOH: Very satisfied. I'm a little disappointed on the last hole, three-putted off the green, missed a short one but I'm happy with the round overall.

THE MODERATOR: You're in good position going into the weekend. How much have the last couple days given you for what's ahead.

YEALIMI NOH: I'm hitting a lot of greens which is very helpful out here. The greens are simpler than you would think, like not as much slope, like on the greens, and they are running a little slower but yeah, just hitting a lot of greens and hopefully making more putts this week.

**Q. Wondering how you came away from that. Was it more motivating? What was the feeling the next week?**

YEALIMI NOH: Yeah, for sure, super motivating like Evian is like one of my favorite events and it was so nice to have a good finish there in such a beautiful place. My best finish in a major and all year, basically I've had a rough start but finally having that good result definitely pushed me to play better for the weeks after.

**Q. Does it make you feel after experienced Evian going into this weekend, this could be the week?**

YEALIMI NOH: Hopefully but I don't know. I'm so physically tired from being on the road for so long that I just wanted to get through like each day like hole-by-hole and even beginning of this week, I was so unsure. I mean, I was playing well but just physically and mentally, I'm so tired, just get through to the weekend and go from there. But yeah.

**Q. What are you doing to conserve energy?**

YEALIMI NOH: Just leaving after my round and staying in my room for the rest of the day, just resting.

**Q. So you are not practicing as much after the**

**rounds?**

YEALIMI NOH: Not really. I really want to conserve my energy. Like I said, my body needs rest.
