Even then, I'm just a little bit tired.

**Q. Are you hoping that the wind picks up? Would you like to see this course and play the course windy, or do you like the weather like this?**

SEI YOUNG KIM: I like the windy weather. It's tough. I like the wind weather. Yeah, I feel a little wind on this course, it's real challenging. It's not an easy course and without the wind, it's also not an easy course. I don't
