## Minjee Lee

**Q. 66, how aggressive were you able to be in your approach and the execution when you went on the golf course today?**

MINJEE LEE: You know, I got off to a really fast start, two birdies in the first three holes. So I just tried to take as much advantage as I could with the short irons in and short putts. So yeah, I think I finished really strong, and on the par 3s, so pretty solid day.

**Q. How much were you aware of and looking at leaderboards in your position as you were making plenty of birdies out there?**

MINJEE LEE: I think I looked at it on 10. And then I knew I was kind of close, so I just tried to make birdie on 11. The tee was up today, so yeah, you know, I tried to make as many birdies as I can today and I finished with 6-under, so I'm pretty happy.

**Q. What do you do now? Obviously you're near the lead, plenty of groups to come in. What's the approach now?**

MINJEE LEE: I think I'm just going to chill out. I think there's quite a few hours of golf left to play, so we'll see what happens.

**Q. Can you please tell us what you felt today and what's your comment for today's play?**

MINJEE LEE: You know, I didn't really feel too much pressure or anything. I was five shots off the lead, so I just tried to play as aggressively as I could, given the conditions and the pin placements. Just try to hit one shot at a time and just try to hit each shot, like commit to each shot. That's pretty much what I did, and had 6-under today, which is a great score around here.

**Q. What about your whole game, the whole four rounds?**

MINJEE LEE: All four days I think I hit it pretty good. Some days, the putts didn't drop. But I feel like I've been hitting it pretty solid coming into this week. So I feel like I'm

in a pretty good place with my game at the moment.

**Q. What's your plan later this year?**

MINJEE LEE: Like the rest of the year? I'm going to take about a month off after this, once I get back to Dallas, and then I'll play probably just the very end events to finish the year.

**Q. What's your next goal?**

MINJEE LEE: My next goal? To win my next tournament I guess.
