## Nanna Koerstz Madsen

### Q. Thoughts on the day?

NANNA KOERSTZ MADSEN: Yeah, I was nervous all day. Did really well in trying to still hit good shots, trying not to make mistakes and on 18, I tried to not make a mistake and that was the only thing I shouldn't do.

### Q. How proud are you of this moment? This is your first time in the final group of a major. How hard you've been working for this moment; how proud are you of yourself to get to this position and be in contention most of today?

NANNA KOERSTZ MADSEN: I'm really proud. I had a chance all the way till 18, also on 18 fairway. So I haven't even had a chance on the back nine on a Sunday yet, so I'm very pleased and I now have a way to get there, and I just need to finish the last hole, as well.

I'm really proud of what I've been working on and I do believe that it's going to come in the future.

### Q. In 2019, we talked about the lemons, and we've continued talking about the lemons. Were there any lemons today?

NANNA KOERSTZ MADSEN: No. No lemons. Trying to just say it's okay to be nervous, so I don't really need them that much.
