Carlota Ciganda

Q. Take us through the round.

CARLOTA CIGANDA: Yeah, I think it's a pretty good score. Anything around level par, I shot 1-over. Yeah, the last bogey is never fun. But yeah, played pretty good the front nine. Had a couple loose shots and then I was just fighting, made some good putts, good up-and-downs, right at 17 almost eagled that hole, and then yeah, just bogeyed the last. It's not easy out there with all these side winds, right-to-left, left-to-right. It's tricky and yeah, hopefully tomorrow I can go a couple under.

Q. The conditions are changing all the time, the wind blows harder?

CARLOTA CIGANDA: I think the direction is pretty much the same from the west all day but the intensity was hard all day.

Q. Things that worked well today that you'll take?

CARLOTA CIGANDA: My putting pretty good. My front nine I hit some good shots on to the greens. The par 3s played really good, great shots. Yeah, just need to hit a few more greens tomorrow and hopefully I can make a few more putts.
