## Rose Zhang

**Q. Tell us about your round today. What went good?**

ROSE ZHANG: Overall, I felt like I played really solid. I mean, to shoot under par at Muirfield is already pretty special. And I think that I was just really proud of how I took it shot after shot and was able to commit to what I wanted to do on the golf course.

I made some really clutch par putts coming in the stretch, and that really boosted my confidence to just keep myself steady and finish till the end.

**Q. There's a few accomplishments. You are the only amateur right now inside the cut, by far, and you still have a chance. You are in the mix for the weekend. How do you feel about that?**

ROSE ZHANG: Yeah, I'm just super thankful to be here. Just to be able to on this historic venue, I'm sure all the players have talked about how special Muirfield is. And for me to make the cut and be able to play it for two more days, I just want to soak it all in and be sure that I can play tomorrow and the day after with the same commitment.
