Linn Grant

Q. Tell us about your week here. What do you take from the week?

LINN GRANT: A lot of practice in the wind, a lot of frustration, but I think I managed my way through the last round and finished with some good birdies on the back nine. So I'm happy with my week, even though it's not the game I was hoping for coming into it.

Q. So the main lessons, what will you have to work on?

LINN GRANT: Coming into these two weeks last week and this win and playing target golf to links golf, it always messes up your head a little bit. So until now, I feel like I'm comfortable hitting low shots in the wind and all that. Just need to be a bit more prepared for next year.

Q. So now you have to adapt to the other golf. What are your plans?

LINN GRANT: I'm going to play in Ireland next week and then down to Spain then Sweden, and then I'm off for two weeks.
