Janet Lin

JANET LIN: I feel like this course is not the easiest for me. I have been struggling a little bit with my driver, so hitting in the rough here is very penalising.

So I feel like I overall did okay. Actually hit lots of good drive but actually had to make lots of putts, so I think if there's two more rounds, I hope I can be more aggressive and make more putts.

Q. (Will you change anything going into the weekend?)

JANET LIN: Not much. I just think -- I just think overall, I just haven't got the best out of myself. So it is golf. I try really hard every shot, so I mean, the outcome is the outcome, so hopefully the next two days, I'll keep the same strategy but then it will go a little better.
