Allisen Corpuz

FastScripts by ASAP Sports

Q. In a good position?

ALLISEN CORPUZ: Played pretty solid the past few days, and definitely in a good spot headed towards the weekend.

Q. How have you enjoyed the challenge so far of Walton Heath?

ALLISEN CORPUZ: Yeah, it's been really cool. I think the course has just played so different every single day, so really just taking each hole as it comes.

Q. Ally is obviously out there at the moment, playing well, but I guess in golf, anything can happen over 36 holes. Is that the mentality you take into the weekend?

ALLISEN CORPUZ: Yeah, really just focusing on myself and seeing how low I can go, and yeah, just really trying to avoid mistakes out there. A lot of good players out there.

Q. Is this the type of course that can have that effect?

ALLISEN CORPUZ: Yeah, I hit a good drive off of 14 today that kicked into the bunker. There's just a few spots where the wind kind of picks up and you don't quite judge it well but there's definitely a few opportunities out there as well.

Q. Keeping the form going that we saw in June, so you must be pleased at the overall way your game is trending?

ALLISEN CORPUZ: Yeah, it felt like it's been in a pretty good spot so excited for the weekend.

Q. How has it been after the win at Pebble?

ALLISEN CORPUZ: Yeah, it's been awesome, letting it sink in. It's been really cool.

Q. Lots of congratulatory messages from friends and family?

ALLISEN CORPUZ: Yeah.
