## Andrea Lee

### Q. How do you assess your round?

ANDREA LEE: I'm really satisfied with the way I played today. I stayed really patient and I only had one bogey on the card, birdied all the par 5s and birdied two par 3s. So yeah, pretty pleased with the way I played.

### Q. At the moment, this could be your best performance in a major so far. Inspiration for the weekend?

ANDREA LEE: Yeah, I mean, being a Major Champion is at the top of the list for my goals in my career, and I put myself in contention this weekend, and I'm not going to try and think about it, think about the outcome or the results. I'm just going to do what I did the first two days, and you know, try and just stay really patient and hopefully, you know, it will turn out well.

### Q. What was the key today? Fairways and putts?

ANDREA LEE: Honestly just fairways and greens. Hit a lot of greens today. Just put myself in good spots, I would say. I didn't make any careless mistakes out there. No 3-putts, either, so that was nice.

Yeah, like I said, just one bogey on the card. Had a great save on 15. I pulled it into the heather, you know, the purple stuff, and managed to save par. I felt like that was a birdie.

So yeah, just trying to minimize the mistakes out there as much as I can.

### Q. And you could have a long time to wait before your tee off tomorrow. How will you fill the time between now and the third round?

ANDREA LEE: Just resting. I feel like these weeks always take a toll on the body and the mind, so just going to grab some lunch, stretch out, and put my feet up and get a good night's rest because I only got like six hours of sleep last night.

### Q. Are you trying to keep in touch or do you try to put

### it out of your mind?

ANDREA LEE: Just try to put it out of my mind. Ally played phenomenal today. I did not see 7-under par, but I'm not trying to chase her, do anything out of the ordinary. Nothing special. Just trying to stick to my game plan and if I catch her, great. If I don't, you know, at least I have a chance.

### Q. Did you not smile when you first thought that she was up the leaderboard --

ANDREA LEE: I kind of laughed. There's a lot of leaderboards out there, so it's kind of hard not to look at them, and I think she was like 5-under through nine holes or something. I was like, whoa, I did not see that. I'm 1-under through nine, and I thought that was pretty good.

So I mean, yeah, she played great today.

### Q. Have you played with her before?

ANDREA LEE: Yeah, a few times. I played with her last year. In Cincinnati, actually, she ended up winning. She played so well the first few days.

But she's a really great person. I would consider her a friend. But yeah, it's always fun playing with Ally.

### Q. Do you have a target for the week?

ANDREA LEE: A target, like a set number in mind?

### Q. A trophy?

ANDREA LEE: A trophy? A trophy would be nice. That's the goal. I feel like that's everyone's goal every week we tee it up and it's definitely mine coming into this weekend. I'm going to try not to think about it.
