## Leona Maguire

**Q. Frustrating day, or pleased with your efforts from the first couple days?**

LEONA MAGUIRE: Yeah, I mean, played -- tee-to-green, I played really solid today and played way better than I did yesterday, gave myself a lot of chances, just a few three-putts which were a bit of a killer for momentum. And felt like I played well enough to shoot 4-, 5-under, so just those three-putts are kind of what held me back.

**Q. Is that just the greens, just try to get used to it this week?**

LEONA MAGUIRE: Yeah, I mean, some of the pins are sitting on different hills, I felt like they were really slow this afternoon. And some of the putts I felt like I whacked, and they still came up six, seven feet short. So maybe a little bit of an adjustment for tomorrow, I think.

**Q. You've made the cut. Obviously the goal is to try to get as high as you can.**

LEONA MAGUIRE: Yeah, I mean, I feel like if I play the same way tee-to-green as I did today and omit those three-putts, I'd be well in it at this point. So just more of that and a little bit better press on the greens.

**Q. How much are you enjoying it? The crowd looks great.**

LEONA MAGUIRE: Yeah, great. Yeah, there's a lot of people out there, a lot of kids out there, so it was nice to see. And then hopefully with the weather being nice enough, then we'll have even more over the weekend.

**Q. Any Irish support you feel a little bit?**

LEONA MAGUIRE: Yeah, there definitely was. There definitely was a few. I think there's a lot of Irish around London, so hopefully there will be a few more out over the weekend.
