Amy Yang

Q. 5-under 67, how do you feel about your play?

AMY YANG: My ball-striking wasn't very good yesterday. But today, I hit it so much better out there, and you know, gave myself good chances, and I think my putting worked really well as well.

Q. Will you change anything for tomorrow?

AMY YANG: I'm not going to change anything tomorrow. I'm just going to keep doing what I'm doing and just accept whatever happens out there.
