## Linn Grant

**Q. 68, great position going into tomorrow. How pleased are you with that?**

LINN GRANT: Very pleased. Going out this afternoon I said to Mikey, if we can get any shots under par today, that would probably give us a good chance tomorrow.

So I'm really happy with how I played and what the score turned out to be.

**Q. The front nine has been quite hard. You were 3-under through eight holes standing on the 9th tee.**

LINN GRANT: Yeah, I also think the first five holes are really tough. I just hit the ball solid. I guess I had some lucky bounces as well, and I think that's what you need out here. I tried to keep that momentum going throughout the whole round.

**Q. One of those occasions where you get to Saturday and you're learning more about the course?**

LINN GRANT: Yeah, I think so. I think it's different out there today. The wind is way more than it was yesterday. But yeah, you get a better feeling for every day, knowing what sides to miss and so on.

**Q. You're in the mix tomorrow. So target tomorrow, see what happens?**

LINN GRANT: Yeah, just kind of go out like I did today. I kind of have a score in mind but also give it a chance without playing too aggressive and being too stupid, I would say. Just kind of, you know, play at my targets.
