## Perrine Delacour

— WALTON HEATH 2023 —

### Q. 71, 4-under good position going into tomorrow?

PERRINE DELACOUR: It was a really good day. I struggled early on. It was playing hard but I bounced BACK on the back nine and I'm proud of myself.

### Q. Three birdies in a row, what was the key to that?

PERRINE DELACOUR: On 11, I almost reached in two. So I made a really good birdie on 12 -- sorry, on 13, it was a really good putt, too. I was just proud of myself, and from there I'm just trying to keep the momentum but it's golf, so just keep patient.

### Q. How tough was it in the wind?

PERRINE DELACOUR: It was pretty hard. I mean, it was windy. We had a lot of right-to-left wind early on into but it wasn't as strong. Like sometimes you get gusts and everything, so it was playing hard and just trying to be patient those times.

### Q. Good position going into tomorrow?

PERRINE DELACOUR: Yeah, I'm just going to try my best. Tomorrow is a new day, so I'm going to have new feelings and I'm just going to talk to my caddie and play, enjoy golf. It's just life.

### Q. Do you feel you've adjusted more to the course as the days have gone on?

PERRINE DELACOUR: Yeah, we kind of changed some of the strategy, being more aggressive, since, I mean, it's the weekend. But most of it is not that many changes. You have to stay patient on this course and keep the ball in play to make sure you can hit the greens.

### Q. And are you watching leaderboards? Have you seen a lot of changes out there this afternoon, just shows you, birdies, bogeys, everything can change very quickly?

PERRINE DELACOUR: I didn't even watch the leaderboard. I don't know who is leading. I was just trying

to stay patient. It's the kind of things I've been working with my team trying to avoid watching the leaderboard and being in the present, so I don't know who is leading and what they are doing.
