Charley Hull

Q. Top of the leaderboard in your home country, how satisfied are you with your round today and your position?

CHARLEY HULL: Yeah, really good. Obviously it was so windy today, but we dug deep. I struck the ball pretty well. I was pretty confident and felt good out there, and I'm pretty proud of myself, so can't wait to get back in the bath and just chill tonight. Another late tee time tomorrow, I think it's 3.00, is it, so have the whole afternoon.

Q. You had some pretty fun plans for tonight, I heard.

CHARLEY HULL: I know, yeah. I was going to the boxing match at 10.30, but by the time I get home, I'll be in too much of a rush. I gave it to my friends, so hopefully they will enjoy it.

Q. You've played this course before and you said earlier this week, the local knowledge wasn't much help. Do you still feel that way?

CHARLEY HULL: Yeah, I just feel obviously. I've played it a few more times and now I just feel excited and comfortable and just really enjoying it. Golf is a game. It's a sport and you play it because it's fun, and I just enjoy it, I'd like to enjoy it on any golf course, and good or bad, I love it.

Q. How much fun would it be to hoist the trophy in front of all these people?

CHARLEY HULL: Yeah, you ask anyone that, it would be unbelievable. It would be absolutely unbelievable, what Georgia done in 2017, or 2018, I can't remember what it was, that was unbelievable. To do that again would be unreal. But one step at a time and just go out there and have fun.

Q. How much are you enjoying the crowds following you?

CHARLEY HULL: Yeah, it's great. It is good. So many crowds and it's nice to have home support.

Q. What sort of is the game plan tomorrow?

CHARLEY HULL: Just kind of go out there, do the same game plan every day. It depends on the weather and depends where I hit it, just be aggressive and make birdies and listen to my caddie Adam, as well,
