Ruoning Yin

Q. What would you say was the most challenging part about the course?

RUONING YIN: To play this course, you just have to be patient. That's the biggest thing.

Q. Patient in terms of the pace or patient in terms of the wind or side winds?

RUONING YIN: Everything. Just sometimes the putts won't drop, but you just have to be patient. And especially with the wind, also, and just to play this course, you just have to be patient at everything.
