## Albane Valenzuela

**Q. (Inaudible).**

ALBANE VALENZUELA: Very happy. Definitely having less wind was an advantage in the morning so I just tried to capitalise on that and play some good golf.

**Q. (Inaudible).**

ALBANE VALENZUELA: Definitely, the last two days, I actually hit the ball and I just wasn't able to putt well. But I think the weather, it was so hard to gauge distances. I feel like the game is in a good spot, and I just tried to do my best today.

**Q. In terms of your game --**

ALBANE VALENZUELA: Tee-to-green I was pretty solid all day. Hit some great tee shots and iron shots close to the pins. Made some putts. Overall, solid.

**Q. (Inaudible).**

ALBANE VALENZUELA: Can't complain. This is the Home of Golf. This was definitely a highlight in my schedule this year. This is definitely one I did not want to miss and it's so special to be here. AIG has done such a great job the last few years giving us great venues. What else can you ask for.

**Q. (Inaudible).**

ALBANE VALENZUELA: (Indiscernible) -- just excited to keep playing golf. This is such a great course and I love how strategic it is and just really fun and really enjoying links golf run. We see. I'll just try my best.

**Q. (Inaudible).**

ALBANE VALENZUELA: Solheim is a big one, but I'm just outside on the bubble. So I'll just try to play good golf and I just told myself -- good golf will take care of itself. That's all I can do. There are so many great players. It's super competitive to be on that team. All I can do is just do my best.

**Q. Competing for a major championship --**

ALBANE VALENZUELA: It's extra motivation. It's been such a big goal of mine since I was a little kid. I feel like I'm closer to that spot. So I'm just -- actually that's a pretty good feel. It's motivation. It would be a dream and honour to be on the team, and all I can do is try my best.
