## Julia Lopez Ramirez

JULIA LOPEZ RAMIREZ: Yeah, honestly it's been a good week. Played pretty solid golf, and especially today, I was 5-under through 13, so yeah, it was a lot of good golf out there. Conditions got tougher at the end. So kind of like got the timing off a bit.

But finished with 1-under par in these conditions, still pretty happy about it. I know I hit good shots out there. I think that's something that I can take home for the future that I can just see me coming back here.

**Q. That must give you a lot of confidence, particularly those first ten holes, fantastic.**

JULIA LOPEZ RAMIREZ: Yeah, those first holes, really well, I actually playing really solid, hitting it close to the pin. It was really awesome. I really enjoyed the course and my golf out there. It's something I'm going to remember forever and something that I would love to come back here.

**Q. How were you feeling after 10 when you were 5-under? What were your emotions out there?**

JULIA LOPEZ RAMIREZ: Oh, yeah, well, that hole was -- I was on the green, so it was a good one. Hit to three feet. Going to 11, I was like, we all know 11 is a tough holes, especially with those wind conditions going left-to-right.

So I was just going in, hit a pretty good shot in the middle and like, whoa, get it going. I try to focus on every shot, keep it going, how it was. To be honest, I didn't even now how under I was. I was just playing my golf game and just keeping on it. Yeah, I would just try to keep it in the right place and keep it rolling.

**Q. It's been a great week here for the amateurs with four amateurs making the cuts. Shows how well the amateurs are playing?**

JULIA LOPEZ RAMIREZ: Yeah, we all know each other. So it's fun to all be playing the same event and make the cut. Make us all really happy and showing us that college actually teach us something to use in pro golf.
