Ela Anacona

Q. How much did you edge joy being here at St Andrews?

ELA ANACONA: I enjoy it so much. It's been wonderful, an amazing experience playing St Andrews and the The Open for the first time and so special and I'll never forget it.

Q. What were your favourite moments this week?

ELA ANACONA: Definitely 18 today. I woke up this morning, and I'm playing on a Sunday, and it's been crazy. I made birdie on the last hole. So it's awesome.

Q. Lots of photos of you during the week, big smile on your face. Looked like you were having a great time out there?

ELA ANACONA: Yeah, I enjoyed it a lot. It was a lot of fun. Playing 72 holes in a major is always something special and it was my first time doing it. So I enjoyed it a lot and had a great time.

Q. And a great week for the amateurs in general, four of you making the cut. That must be great?

ELA ANACONA: Yeah, I was thinking about that and I'm so proud that almost all of us made it throughout the week. I think it means a lot that the amateurs are doing great.

Q. What are your plans now for the rest of 2024?

ELA ANACONA: So I'm going back home to Argentina now, and I'm going to take a week off and then think about the future. And I'm playing a few tournaments for Argentina.
