## Angel Yin

ANGEL YIN: Yeah, good.

**Q. Birdies came on the front side only?**

ANGEL YIN: Yeah.

**Q. Is it the way you played or was the back nine harder?**

ANGEL YIN: It's just what God meant for me to do today. No choice. Just birdies are hard to come by. Just happened like that.

**Q. With your length off the tee, did you keep the driver in your bag a lot today or did you use it?**

ANGEL YIN: Not necessarily. I don't have my driver this week.

**Q. Okay. Mini-driver**

ANGEL YIN: Yeah, my mini-driver. Tees were moved up. Obviously they were anticipating some wind, so we got to play smart. The golf course isn't really -- even on a calm day it's not really calling for driver. Got to really place your ball around the hole.

**Q. Your position on the leaderboard, -1 to start. That's probably pretty good in your book, right?**

ANGEL YIN: Yeah.
