Lydia Hall

Q. (No microphone.)

LYDIA HALL: Yeah, super frustrating. I hit two poor shots probably most of the day and just got severely punished. Yeah, it was windy. Wasn't easy out there. It was a good three-club wind.

Yeah, obviously just super disappointed because I think I'm probably going to miss it by one shot.

Q. (No microphone.)

LYDIA HALL: Yeah, it is. I mean, you've got to plot your way around the golf course. As I mentioned yesterday you got to miss in the correct spots, and I didn't do that today. I missed -- both times I made a double was this the wrong spots.

Yeah, so you have to be smart, you have to play smart and miss it in the right areas.

Q. (No microphone.) Just on a personal note...

LYDIA HALL: Yeah, it's been amazing. I really hope we can return at some point because this golf course has got everything. It tests every asset of your game from mental toughness to short game putting. It's got everything.

Yeah, I think Wales has done us proud in hosting this event and putting on a great show.
