## Paula Martin Sampedro

**Q. Tell me about your round today. Different conditions and then changing over the round.**

PAULA MARTIN SAMPEDRO: Yeah, I played really solid golf, definitely super different than yesterday. Just tried to stay patient, enjoy the round, and I started with a couple birdies in the first few holes, which are hard. I knew I was playing good and a good round today. Yeah, just happy and happy to shoot under par today.

**Q. What do you think is different from your strategy then the rest of the field? Are there things that you're doing differently?**

PAULA MARTIN SAMPEDRO: Yeah, I try to stay consistent, especially when a mistake comes, just not trying to do too much and accept that and just walk out with a bogey, and that could be good. Just not trying to make like big numbers on this course.

**Q. Are you keeping track of your position as an amateur this week, knowing where you are and if you have a chance or not?**

PAULA MARTIN SAMPEDRO: Yeah, that Best Amateur would be a very good recognition. I actually play with one of the amateurs that also made the cut. So I knew how she was doing, but I have no idea how Carla is doing. Yeah, just excited for tomorrow and see if another good round could come.
