Minami Katsu

Q. Well played.

MINAMI KATSU: Thank you.

Q. 2-over par through three holes and then you are 9-under in the last. What was the reason for your success? What did you do so well?

MINAMI KATSU: Definitely my shot helped me a lot. Made two bogeys on the first three holes, but after that I was really focused on my swing. I just had a really good image of my swing and I kept that going, and here I am.

Q. At the beginning of the day, the leader was the at minus-11. You shot 7-under. Now you are within reach with one round to play. How do you feel about your position?

MINAMI KATSU: Definitely in good contention right now. Obviously I didn't reach the top, but I still have another round tomorrow. If I can continue the same golf I did today, I feel like I can do it tomorrow.
